Xcaliber International Announces Certifications in New States

April 17, 2017

Pryor, Okla. – Xcaliber International announces today new certifications in multiple states.

Included in the now approved states are Delaware (approved February 28, 2017), Maryland (approved March 11, 2017) and most recently California, being announced today. This brings Xcaliber International’s total state certifications to 36 states.

“The approval of various Xcaliber International brands in these new states will aid us in our continued drive to grow our business. These state approvals improve our logistics and increases our sales opportunities,” said Derrick Taylor, President and CEO.

Xcaliber International, based in Pryor, Oklahoma, is the leading Tier Four cigarette manufacturer in the United States. Xcaliber International is built on the foundation of providing the highest value products in the Tier Four category.
