Xcaliber International Announces Purchase of New Cigarette Manufacturing Line

May 24, 2017

Pryor, Okla. – Xcaliber International announces the purchase of a new cigarette manufacturing line from Hauni Maschinenbau GmbH. This new line complements similar manufacturing lines housed in their current production facility.

This new line has a rated speed of 10,000 cigarettes per minute and is expected to be operational by November 2017.

“The decision to make an investment in a new manufacturing line underscores our confidence in Xcaliber’s growth strategy. This investment will increase capacity by approximately 30%, will provide improved manufacturing flexibility, and further supports our mission to provide top value products in the Tier Four category,” said COO Derrick Taylor.

Xcaliber International, based in Pryor, Oklahoma, is the leading Tier Four cigarette manufacturer in the United States. Xcaliber International is built on the foundation of providing the highest value products in the Tier Four category.
