Xcaliber International Announces New Product Certifications in Pennsylvania

July 12, 2017

Pryor, Okla. – In a continuing push for new state certifications, Xcaliber International has announced two additional brand certifications in the state of Pennsylvania. Cigarette brands Berley and 24/7 have been added to Pennsylvania’s Tobacco Product Manufacturers Directory, joining two other brands already approved for retail sales.

“Given Pennsylvania’s increase in cigarette taxes last year, we noticed growing consumer demand for more low-cost cigarette options in that state,” said Xcaliber COO, Derrick Taylor. “That’s exactly the type of market we look for when deciding where to focus our attention and introduce new products.”

Xcaliber International, based in Pryor, Oklahoma, is the leading Tier Four cigarette manufacturer in the United States. Xcaliber International is built on the foundation of providing the highest value products in the Tier Four category.
